Board Chair's Message

Sometimes you just need to cross the bridge to get a better tomorrow. That bridge could be obtaining a needed mammogram or receiving a new pair of glasses. It might mean having an infected tooth taken care of or finding a way to receive prescriptions required for well-being. Maybe it means receiving advice and counsel through our Immigration Services Program. Since 1999, Health Care Access has been doing just that! With a dedicated staff, steadfast volunteers, supportive community partners and generous donors, Health Care Access continues to fulfill our mission to improve the health and quality of life in the Greater Phoenixville area by helping the uninsured and underinsured overcome financial and cultural barriers in obtaining the specialized health care services they need, and to provide assistance with immigration issues, as we support those who need to cross the bridge to arrive at total wellness. On behalf of the Board of Directors, I thank you for undertaking the journey across the bridge to a better tomorrow with us all.

Janet Hunter, Board Chair

Feedback from clients, volunteers, and donors

“They literally saved my life, so volunteering was a natural progression. Not many organizations will fund someone that is employed but has no insurance.”

“We want to make a difference with our funding, and choose organizations where the money we can give will make a difference. We like grassroots organizations that are efficient, that know who they are, are focused and will use the money well and can report on what they’ve done.”

“Blessing to HCA-Thank you so much for being here for all of us!”

“Without HCA, people would not receive care.”

VOLUNTEER SPOTLIGHT

Robyn Holtz is a volunteer for HCA with our annual Dressing on a Dime fundraiser. She offers her time and talents and at the 2016 event, she bravely shared her story. There was not a dry eye in the room. Robyn is surviving breast cancer. She came to HCA with no insurance needing a mammogram.

“I think it is so important to put a face on the services you provide for all of us stuck in the middle without insurance and lacking the means to use pay as you go medical care. I have food and a comfortable place to live. People like me are unaware that services exist to help. I think your donors will see that you serve the underserved, not just the poor. Your supporters need to know you save lives every day. For that, I am eternally grateful.” Thank you Robyn for all you do for HCA and others every day.

Barto retires from the Board of Health Care Access

Amy Barto joined the board of HCA in 2005 when we incorporated as a nonprofit organization. Her guidance and expertise as a resident and business owner in Phoenixville were invaluable. We so appreciate all her contributions to the success of HCA over the many years of service to us!

Best wishes to Amy!

Our vision is that every eligible resident of the greater Phoenixville area will access the specialized healthcare they need through our programs.

We are always looking for volunteers. Follow us on Facebook so you always know what is happening at HCA!

Thanks to everyone who joined us for a night of laughter, friendship, and celebration of our guest of honor, Leo Scoda!

▶ DRESSING ON A DIME

On October 23, 2016, we held our 8th annual Dressing on a Dime Event. The models were inspirational and the fashions featuring Phoenixville's own T.C. House of Style and Red Ribbon Consignment shop were fabulous! Dressing on a Dime has become a Phoenixville tradition.
